

Kirkwood Soccer CHARLOTTE MORAN 1-DAY

Girls COLLEGE SHOWCASE Tournament

NOVEMBER 28th, 2010

Fees: \$425.00 U-16 to U-19
(2 games)

Our Charlotte Moran 1-day College Showcase is for teams that are looking to continue playing soccer at the collegiate level. Games are held at our 60-acre complex. The Kirkwood Soccer Complex has 13 grass fields, of which 2 are Bermuda grass and 1 Sport Turf Synthetic field. Kirkwood Soccer Tournaments draw the best teams from within Region 1 and Canada. Over 200 college coaches attend our event.

Teams: Teams are chosen and placed in brackets based on their league, tournament and state cup standings. Teams may use a maximum of 5 guest players who must be registered with the same association as the team. For example, if the team is registered with your state association, the guest players must be registered with the state association too. If the team is registered with US Club, the player must be with US Club too. You cannot combine the two associations.

Parking: Due to the size of the tournament, Kirkwood Soccer Club will provide off-site parking and a shuttle to and from the fields. Each team will receive a limited number parking passes, which must be used to gain access to our main facility. The off-site facility is Gunning Bedford Middle School and is an 8-minute ride to the KSC complex.

All teams will be required to register their team one hour prior to their first game at the KSC Indoor Arena.

Teams are required to present the following at registration:

- 2 copies of your state approved roster
- Player passes for every participating player (our tournament accepts state rosters and player passes or US Club rosters and player passes)
- Medical releases for every participating player (including guest players)
- Permission to travel (only for teams from states that require it)
- Guest players and information added to the bottom of the rosters (if applicable)

To apply for this tournament, please visit our website at www.kirkwoodsoccer.org The deadline to apply is November 1, 2010.
